

Blessed Trinity Catholic Church Alive News

As Catholic Stewards

Scripture tells us that Christian stewardship goes beyond giving of our surplus. We are called to give of our substance. At the same time, Christ assures us that no one who gives from their substance will find him or herself in want. We need to remember the assuring promise of Jesus that whatever we give back to God will be returned one hundred times as much in this world and the everlasting world to come (Mark 10:29).

If you have not already done so, please prayerfully consider making a sacrificial gift of your substance to Alive in Christ. Through your generosity and the support of others like you, Blessed Trinity Catholic Parish will be able to renovate the old church and decrease the loan amount.

Learn How We Impact the Larger Church Family

As our communities grow, so does the number of poor, hungry and homeless people. Catholic Charities is redefining its role throughout the nine counties of our diocese as a major provider of services that meet the needs of the elderly, poor and marginalized — regardless of their religious, social, or economic backgrounds. Through Alive in Christ, we will establish comprehensive centers of care and service throughout the diocese to assist those who are in the greatest need.

We will build on our excellent base of family support and counseling programs and add new services for women,

As **gifted, grateful and generous stewards of God's many blessings, we are: Called to Grow** as spiritual beings through our prayers for the success of Alive in Christ; **Called to Lead** by offering our time and talent in the service of our Church throughout this effort; and **Called to Share** by prayerfully considering a sacrificial gift.

infants, and children as well as services for elderly who need help with housing and healthcare. We will create a Health Clinic for migrant workers and build new facilities, systems and staff that will enable us to bring Christ to people in a way that truly recognizes and responds to the inherent dignity and worth of every person.

HOW YOU CAN HELP!

Many parishioners have been asked to participate in the Capital Campaign. Dedicated volunteers have been contacting parish families to discuss the campaign and how you might be able to support it. This past week we had our first Parish Wide Gatherings to outline the needs of the campaign.

Over the course of the next several weeks we will still be recruiting volunteers. Also, be alert for future parish wide gatherings and receptions for parishioners to attend. This project will require the dedication and commitment of our entire parish family. This is most critical to the continued success of the campaign. We ask everyone to give proportionately to his or her own individual financial circumstance. Your participation and gift is very important.

"Give and gifts will be given to you; a good measure, packed together, shaken down, and overflowing, will be poured into your lap. For the measure with which you measure will in return be measured out to you."
